## THE BASILICA ORGAN

Music plays a prominent role in liturgical worship. Singing, chanting, or listening to classical music is one way for believers to celebrate and reflect on the sacred. The warm resonating tones of St. Patrick's Basilica's Casavant organ provide parishioners and visitors with an uplifting spiritual experience. It is hard to imagine the Basilica without its beautiful organ music, but St. Patrick's did not have an organ when it first opened in 1847. The original organ was only installed in 1852 upon completion of the organ loft. Built by Samuel Russell Warren, it was an instrument with three keyboards (manuals). In 1895, the organ company Casavant Frères rebuilt and electrified the Warren organ with a system known as electro-pneumatic action. This system utilizes an electric current to control the air pressure moving through the organ's pipes. In addition to electrifying the instrument, the company separated the organ case, exposing the Catherine Wheel window. This large circular window can still be viewed between the organ's pipes and remains one of the Basilica's unique decorative features. Since 1895, the Casavant organ has undergone several phases of reconstruction and restoration. For example, in celebration of St. Patrick's 125th anniversary, the Casavant organ from St. Anthony's Church was integrated with St. Patrick's in 1972. This work was successfully undertaken by the company Guibault-Thérien Inc., under the direction of the master organ-builder Guy Thérien. In the present-day the organ continues to be maintained by the company Les Ateliers Guibault Bellavance Carignan. Under their direction, approximately 100,000.00\$ of repairs have been completed over the past ten years. This work would not have been possible without the donations of patrons who contributed to the Basilica's Restoration Foundation. It is due to the generosity of different community members that St. Patrick's Basilica is fortunate to maintain this impressive instrument with an equally impressive history. We hope that parishioners and visitors continue to enjoy and be inspired by this instrument's music. Kevin Savor has been Saint Patrick's organist and music director since 1995.

## SUMMER RETREAT – AUGUST 2017

Montreal Directed Retreats offers the opportunity for a silent, personally-directed summer retreat from **August 7-11, 2017** in Rougemont at the Cistercian Abbey – a quiet oasis of peace and tranquility in the countryside. The abbey is a 45 minute car drive from Montreal, and is easily accessible by public transportation. Cost is \$295, all-inclusive. Individual rooms, and most have private toilet. Limited space. For further information, call Paul Empsall, 514-626-9462, or visit [www.montrealretreats.org](http://www.montrealretreats.org).

## PILGRIMAGE TO OUR LADY OF KNOCK

Our Lady of Knock Shrine – The geographical location and panoramic setting of Mayo, Quebec is very close to the landscape of the original shrine in Knock, Ireland. The people of this municipality are descendants of the early Irish settlers from County Mayo. The story of the apparition and a devotion to Our Lady of Knock was brought to Eastern Canada as early as 1882. This devotion continues and is still evident today, not only in Ireland, but also at our annual pilgrimage and those who visit during the year. The **63<sup>rd</sup> annual Pilgrimage** is scheduled for **Sunday, August 13th, 2017**. The presider and homilist this year will be the **Fr. John Walsh, Our Lady of Knock Shrine, 3889 Rte 315, Mayo, Quebec J8L 3Z8**. Please visit the webpage: [www.stmalachyolv.com](http://www.stmalachyolv.com), [mayopilgrimage@gmail.com](mailto:mayopilgrimage@gmail.com), or call: Mrs. Ellen Butler (819) 986-3860 - Mrs. Jean Dunnigan (819) 986-8763.

**Vocation View:** The sower went out to sow. The Lord has sown the seeds of vocations to priesthood and religious life in our parish. Be good ground! Encourage the gifts of compassion and leadership wherever you find them. (Matthew 13: 1-23)
